

**PLAN COMMISSION
TOWN OF FARMINGTON**

The next meeting of the Town of Farmington Plan Commission will be held at
7:30 p.m. on Tuesday, March 20, 2012
at the Farmington Town Hall.

Agenda

1. Call meeting to order.
2. Approve minutes from February, 2012 meetings.
3. Continue discussion on Travis Power's request. He owns 24.01 acres on Herman Coulee Rd and wants to rezone from Exclusive Ag to Ag A.
4. Request by Fran Wedam. He owns 29.5 acres at CTH T with a home. In order to be in compliance with county ordinances he would like it rezoned from Exclusive Ag to Rural Residential (Ag A).
5. Request for a variance for Randy Christopherson. He owns 7 acres with a home at N9471 Mackintosh Rd. and would like to build a pole shed. The proposed pole shed exceeds height requirement and he therefore would like a variance.
6. Request for a variance by Leon Pfaff. Leon is requesting a variance for his proposed addition off of CTH DD. (More specific details to be presented at the meeting.)
7. Request for a variance by Dave Kirchner. Dave is requesting a variance for height for a pole shed he desires to construct at the intersections of CTH T and C.
8. Continuation of discussion on Frac Sand mining. Possibly come up with a set of guidelines for future proposals/requests. Depending on time constraints due to the aggressive agenda, this may be tabled until a later date.
9. Public input.
10. Adjourn meeting.
