

October 26, 2010

The Special meeting of the Town Board was called to order at 7:30pm. All board members were present.

Board members reviewed the Recycler newsletter and determined that no changes or additions were necessary. The appropriate items such as calendar, etc. would be updated to reflect 2011.

Board then continued the budget planning process. The only significant increase was in the Hydrant rental fee to the Sanitary District, as this is expected to see an increase caused by the addition of the new well.

Motion to adjourn at 8:15pm by Kirchner, seconded by Glennie. Special town meeting to adopt the budget will be held on November 16 2010.
