Call to Order

Review Minutes: February 20<sup>th</sup> 2018 and March 20<sup>th</sup>, 2018

### **Comprehensive Plan – Amendment Proposal**

It was proposed by Mike Hesse that the Plan Commission begin discussions / processes for amending the CP for land parcels (5-935-0 and 5-973-0) in which the Mindoro Elementary School currently resides. It is suggested that the parcels could be more attractive to potential buyers if we proactively change the future use from Public and Institutional District to Non-Residential.
