CALL TO ORDER	The Public Hearing was called to order by Dan Heidel at 7:30pm
Conditional Use Permit Request Mathy Construction 5-399-0	MATHY CONSTRUCTION N7550 Wanless Road Gabe Ness was in attendance to represent Mathy in requesting that a CUP be granted in order to allow for the placement of a temporary, portable asphalt plant at N7550 Wanless Road. Heidel explained that the intention of the meeting was to collect public feedback pertaining to the Mathy Request, noting that very few comments were received. A couple concerns arose similar to those in attendance the previous month regarding noise, traffic and length of permit. No members of the public were present to pose more concerns or questions. The commission noted that before agreeing to this request they would like to obtain some sort of assurance that the permit would be limited to a one year period and that any requests to extend the permit would need to once again be approved by the township.
Adjourn Meeting	Heidel closed the public hearing at 7:40pm
