CALL TO ORDER	The special Plan Commission Meeting was called to order by Dan Heidel at 7:30pm.
Tab Gunderson	<p>Tab Gunderson was present to explain his plan to place a mobile home and shed onto Parcel 5-1110-0 (approximately 2 acres) currently zoned Exclusive Ag. He explained that although the restrictions pertaining to the hydric soil left him with less than enough land to place a home and septic, he had found a solution that involved swapping a small amount of land with the adjacent parcel (5-1109-0) landowner, Jason Dirks. Gunderson presented a map that showed the approximate portions of each parcel to be swapped and stated that the swap would for sure be less than 2 acres.</p> <p>The committee felt comfortable with the exchange, however, wanted to confirm with the county the need to hold a public hearing. Heidel promised to follow up with the county the next day. Based on his findings the committee planned to potentially schedule a public hearing for Monday, August 3, 2020.</p> <p>MMSP: White / Lash: Motion to hold a public hearing regarding the petition to lift deed restrictions on a less than 2 acre portion of 5-1109-0. Passed 3/0/0</p>
