## **MINDORO PARK**

The Farmington Town Board has requested that the Plan Commission draft an ordinance in regard to rules and regulations pertaining to park usage for TB review and adoption. Heidel shared several samples in which he has found being used by similar townships. He will develop a barebone draft to present as a starting point at the next meeting.

Discussion took place on the need for a separate park committee to be formed. The Plan Commission will share this recommendation with the town board during their August 2, 2022 meeting. If the TB is in agreement, applications will be made available to residents that are interested in serving on this committee.

Discussion took place on possible park amenities. The PC plans to hold a public input meeting beginning at 7:00pm on August 16, 2022 for the purpose of gathering feedback regarding the future use of the Mindoro Park.
