

# TOWN OF FARMINGTON MEETING MINUTES

REGULAR MEETING  
January 3, 2023  
FARMINGTON TOWN HALL  
N8309 County Road C, Mindoro WI, 54644

Attendees: Paul Lash, Mike Hesse, Greg Kastenschmidt, Crystal Sbraggia, Jodi Anderson

## **CALL TO ORDER:**

Chairman, Mike Hesse, called the regular Town Board Meeting to order at 7:30pm following the public hearing.

**Mmsp: Kastenschmidt / Lash:** Motion to approve the minutes from all December 6, 13, 20 and 27, 2022. **3/0/0 PASSED**

**PUBLIC CONCERNS** – No public input

## **OPERATOR LICENSE**

Operator License paperwork for Dan Osthoff not available. Request will be moved to a subsequent meeting date.

**ORDINANCE 1- 2023 Adoption of the Comprehensive Plan 2021-2040** – Approved pending the zoning of land parcel

**Mmsp: Kastenschmidt / Lash:** Motion to approve ordinance 1-2023 Comprehensive Plan 2021-2040. **3/0/0 Passed Hesse- yes, Lash-yes, Kastenschmidt-Yes**

## **Mindoro Park**

Heidel spoke in favor of forming a park committee. The board agreed that an informal committee could be formed and given guidelines to follow.

## **SANITARY DISTRICT**

Credit of \$6,000 will be returned back to the SD from First Supply.

Hesse is working with the attorney to draft a letter to the owner of the Mindoro Mobile Home Park to address structures that are obstructing access to sewer and water pipes.

Fenske is still working on getting bids for the sewer lining project will be sent out in the near future.

The SD was randomly selected for DNR to partake in a required wet test in 2023. Mitch will be working to complete that process.

## **Cemetery**

No further updates or decisions.

## **Roads**

Ice cleats were suggested for the safety of employees. Greg will pick up a couple pair for all vehicles.

## **Equipment**

The brush mower for the skid steer has been received.  
Greg shared updates on tractor and plow truck purchase.  
Board agreed to sell current tractor out right.

Konze spoke in favor of installing forced air fans in the shop to help dry out the equipment.

## **Emergency Services**

Some ARPA money has been received and will help to pay for training for new EMTs.

Emergency lights for the fire truck are still on order.

The county is working with local municipalities on completing the setup for the RAVE Emergency Messaging System.

## **Recycling**

Update given by Dennis Konze.

Dennis will be out for surgery on February 1. He has replacements lined up in the event that his leave is extends longer than expected.

The recycler has been mailed out.

Konze spoke in favor of the town purchasing a special order metal dumpster with forks that works with the loader. Cost is estimated at \$2,000 - \$3,000. The board agreed to look at the dumpster when it is complete.
