CALL TO ORDER:

Dan Heidel called the meeting to order at 7:03 pm.

Mmsp: Lash / White: Motion to approve the August 19, 2025 Meeting Minutes. **4/0/0 Passed**

1999 Multiple Housing Road Specification Ordinance

The purpose of this joint meeting of the Plan Commission and Town Board was to review the May 4, 1999 Multiple Housing Road Specification Ordinance. A goal of updating the document, in a way that will help the town to apply the rules more clearly and consistently, was established.

Discussion took place regarding the origin of the 1999 document and what additional information could be added for clarity. Suggestions were made to add a glossary of terms and to clearly define applicable uses and approved materials. The group also established a desire to include specifications that would specifically address emergency vehicle access needs and elements to limit potential conflict.

No decisions made.

No Public Concerns.

Mmsp: White / Raabe: Motion to Adjourn 0835pm.
