Call To Order

Dan Heidel called the Joint meeting to order at 7:00 pm.

Mmsp: Raabe / Lash recommend approve minutes from March 24, 2026. **3/0/0 Passed**

Charlie Glennie I Parcel 05-00873-000 I W4155 County Road D

Charlie Glennie was in attendance to share his plans to construct a residential addition onto an existing house that currently lies within the required setback distance. The plans presented to the board showed that the new addition would extend an additional 4' to the west of the building as it sits and would not extend into the ROW any further than the current structure. For this reason, both the board and plan commission agreed to approve the variance request.

Mmsp: Lash / Raabe: Motion to recommend approval of the variance request as presented to allow for the construction of a residential addition that extends into the county road setback no further than the existing structure. **3/0/0 Passed.**

Mmsp: Lash / Hess: Motion to approve the variance request as presented and allow for the construction of a residential addition that extends into the county road setback no further than the existing structure. **2/0/0 Passed**

- **Consider Resolution 2026-2 – Make Decision**

The board agreed to pass the resolution in support of the WTA transportation funding efforts.

Mmsp; Lash / Hesse: Motion to approve Resolution 2026-2. **2/0/0 Passed**

- **Public Concern**

Mmsp: Lash / Raabe: Motion to Adjourn 07:40pm.
